Day Camp Phone #: 215-836-1429

Early Pick-Ups

If you are picking up your child early from camp, and that time is close to dismissal, we ask that you pick up your camper no later than 2:45PM. After that we will dismiss campers at our regular time frame.

Camp Lunch Menu and Ordering

If you choose to order lunch through the Gator Grill for your camper, please use the pre-order form that you can access from the web site or fill out a form when you drop off your camper. By pre-ordering it alleviates a back-up at the lunch counter for the campers. Please go to the day camp website to access the form, print out and send in with your choices and payment. **Daily lunch cost is \$6 and \$25 weekly.**

New Campers and Weekly Swim Tests

New campers are tested the first day they arrive at camp so our aquatic staff can ascertain campers swimming abilities and place them in appropriate levels in our pools. After a week of swim lessons and rec swimming in those areas, campers can “test up” to the next level if they choose to. Our staff will then determine if that camper can progress to the next level. First and foremost we want to make sure ALL of our campers are safe and enjoying swimming at camp. We want to see their swimming abilities and skills flourish while here at FSDC.

REMINDER: Face Masks Optional Starting Monday

Effective Monday, June 21, 2021, masking for vaccinated and unvaccinated individuals at summer camps and summer schools will be optional according to the Montgomery County Office of Public Health.

Lost N Found

With our policy this year of campers carrying their belongings in their backpack our *Lost N' Found* container is much smaller and practically non-existent which is great for families! However, the few items that are in the box will be displayed by the main entrance gate if you need to look for anything after you drop off your child in the morning or after you pick them up in the afternoon/evening.
